

8 WEEK PROGRAMS

Our Saturday morning classes are offered to our youngest students – aged 3 and 4 years old.

With new sessions starting every 8 weeks, students are introduced to dance and choreography in our stress-free classroom environment. Instruction will focus on age appropriate movement and stretching while exploring creativity and imagination. Each session offers in-studio parent observation/participation during the 8th class of the session.

CHOICE OF CLASSES

Disney Dance 9:15 – 10:00am

With the instruction of primary ballet positions along with the introduction of a different Disney Princess each week, this class creates a foundation of self-awareness, creative expression and teamwork.

Mini Fresh Groove 10:15 – 11:00am

This high-energy hip hop class will have everyone moving and grooving. Using elements of street jazz and funk, students learn about musicality, rhythm, balance and body control.
